A Great Night of Comedy with

Hypnotist

MIKE HARVEY

MORE LAUGHS THAN YOU CAN HANDLE IN ONE EVENING

During more than 38 years of stage performances, MIKE HARVEY has hypnotized more than 175,000 volunteers, while more than 11 million spectators watched.

Without a doubt, the results of his inductions and his shows have been amazing. You can watch Mike create the ultimate comedy show using the power of hypnosis - with each show being different from the last. You have never seen a show like this. You will be amazed! You will become a believer! You will laugh until you cry!

His shows are clean - using no blue humor - and he does not suggest that his volunteers do anything that may embarrass them. The volunteers are the stars of the show.

After watching his show, you will leave knowing that you have been royally entertained!

Mike also offers self-improvement lectures and hypnosis sessions to help you stop smoking, lose weight, and reduce stress.
