

# MARC RUBBEN

***Q: What do you get when you cross an outstanding standup comedian with a truly captivating ventriloquist?***

***The answer is: Marc Rubben, the hottest act on the circuit! His unique blend of monologue, ventriloquism, and audience participation is what makes this stand-up stand out.***

Marc utilizes his acting ability, improvisational skills, and impeccable comedic timing to create six very real and funny characters. There's Max, (the mean old guy), Cletus, (the redneck), "The Swami" (a mind reading mystic), "The Rastamon" (straight from Jamaica), the magic drawing board, and "The Mask" (a moving mouth that transforms an audience member into a human dummy).

Marc has headlined on the Las Vegas strip and performs regularly in 1500 seat, multi-million dollar showrooms for Carnival Cruise Lines. Marc's performance is far from routine and you won't catch this ventriloquist moving his lips!
