

**Welcome to the Fold-Up Comedy World
of
Emmett Furrow**
Comedy Freak Kung Fool

Let's get this out of the way: There is NO WAY to describe this show.
It's not "like" anyone else.
NO ONE else does what Emmett does,
because
NO ONE ELSE CAN!

This show is so original, it makes you wonder how other comics even get laughs.....

Oh sure, the first part of the show, the Karate Kidder Martial Arts Comedy Extravaganza, some other comic might be able to pull that off....with 30 YEARS OF TRAINING.

But the second part, the WEIRD PART, the part no one expects, the part you have to be BORN FUNNY to do, the part everyone will be talking about for months to come, the part that is so unique (adj. 1: SINGLE,SOLE 2: being without like or equal: UNEQUALED 3: very rare or uncommon: very unusual---Webster's) that it's in a category all its own, well, that part you'll just have to see to believe.

And you might not believe it then.....

Let's try this: Emmett Furrow may be the world's first MUTANT COMEDIAN, born with powers and abilities far funnier than normal standup, dedicating his life to the amusement of others!

It's not just a comedy show.....

It's a FREAK SHOW!!

And a funny one, too.
